DANCE

The Annual St. Patrick's Night Dance is on Saturday, 14th March, 1987 at 8 p.m. - See front for details.

Do make up a party and come along. This is our big function for the year and we need your support. Put on IRISH GREEN and come along and Drown the Shamrock.

Community Employment Programme

The programme has finally drawn to an end, with all funds expended and works completed. The hall and school look like new!!! The Project Managers are delighted with all that has been achieved and the general support given from so many people in the community - too numerous to mention here.

Weren't we lucky to get such reliable and consistent workers.

TENNIS COURTS

Sadly the courts have been delayed pending funding announcements. Available funds have been used to purchase the fence for the courts, and we are planning a working bee after the gravel arrives and the compaction is completed. Further announcements - we will need you!!

PLAYGROUP

Hartley Playgroup is very much under way and going very well. We have raised money from raffles and cake stalls to purchase new toys and bikes as well as different things for activities for the children. We are also pleased to say we have raised some money for our Lithgow District Hospital and donated a baby capsule to the maternity ward.

It's a nice feeling when you can give a little instead of taking all the time. Good work all mothers at Playgroup. Don't forget Wednesday at 10 a.m. at Hartley school any mothers with children under 5 years are most welcome to come along. For further information ring Diane Linhart on 552251.

TREES

After our major clearing operation in 1985/1987 is for us the year of the tree. Council is donating us some (hopefully lots) of trees and plantings will be a major objective this year. Keep watching this space.

AEROBICS

Have commenced each Tuesday morning from 10 a.m. until 11 a.m. at the Hartley School.

Come along and join us and get fit.

YOGA

Classes will be conducted on Saturday afternoon for 6 weeks on trial basis from early March. Ring Pam Day for information 55 2220.
