## WHAT'S HAPPENED?

The working bee was a great success - even though it may look as if a bomb has hit.

Thanks to ~~WADDY~~ ADDY, the daredevil demolisher for his dozer and dedication on the day. We couldn't have done it without Warren's generosity. And also the Lithgow low-loader lenders, the ~~HINT~~ BROTHERS, for the delivery of the lethal leveller.

Special thanks to all who gave their time and effort. 11 hours of labour, lumberjacking and lugging went into the weekend.

Thanks also to Prospect County Council. The crew of the cheerful cherry picker has created a terrific totem pole beside the hall.

## 100<sup>th</sup> CLUB RESULTS

1st.....Robin Rosenberg.....No.10  
2nd.....Margaret James.....No.71  
3rd.....Patricia Barber.....No.44  
Next Hundred Club early in New Year.

### WHAT'S HAPPENING

Great Lithgow Council is keen to assist with help towards provision of gravel and earthmoving equipment. This will be of tremendous help.

### FUTURE HAPPENINGS

WORKING BULLS.....CLEAN UP.....

MARCH 15<sup>th</sup>  
MALL HALL, 1986....  
ST. PATRICK'S NIGHT  
DANCE, in the great  
Harrley tradition.  
We plan to make this  
the big function of  
the year.

## MORE FUTURE HAPPENINGS !

Plans are on the drawing board to erect playgroup equipment between the hall and the courts - maybe a wonder fort. This will give the kids somewhere to play while parents play! - And perhaps we can get a playgroup happening if the environment is attractive enough.

Participation by the community and children in the painting of a mural on our own Progress Hall!!

All ideas and support welcome.

SEE YOU . . . ,

SUNDAY 15<sup>th</sup> DECEMBER ,

FOR LOTS OF FUN .
